Position Title	Instructor
Number of Positions	1
Internal/External Posting:	External
Area of Specialization	Livestock Management and Evaluation
Department	Animal & Dairy Science
Department Profile	The Department of Animal and Dairy Sciences currently advises 250 undergraduate students. In addition, well-equipped animal and laboratory facilities are available within the department including the Leveck Animal Research Center comprised of 1,100 acres for livestock and the Bearden Dairy Research Center with Holstein and Jersey cows, both located near Mississippi State University campus.
Position Function	The Department of Animal and Dairy Science is seeking an instructor and judging coach to teach hands-on courses in animal techniques, management, and evaluation.
Essential Duties and Responsibilities	Responsibilities also include coaching livestock judging teams, traveling to competitive events, and coordinating state and regional judging events. The successful candidate will have the ability to recruit students and raise funds, as necessary, to support livestock judging teams. Additional duties will include service on departmental committees, participation in departmental clubs and activities, and assist with undergraduate advising. The position is a 12-month, non tenure track instructor position.
Minimum Qualifications	Qualifications include a minimum of M.S. degree in Animal or Dairy Science or related field.
Will ABD's (all but dissertation) be considered?	Yes
Preferred Qualifications	Previous livestock judging experience is required and teaching and/or dairy evaluation experience preferred.
Knowledge, Skills and Abilities	
Working Conditions and Physical Effort	
Instructions for Applying	All candidates must apply online at www.jobs.msstate.edu and are required to complete the Personal Data Information Form. Interested candidates should also submit a letter of application, curriculum vitae, college transcripts, and three letter of reference to: Dr. Mark Crenshaw, Box 9815, Mississippi State, MS 39762, or email mcrenshaw@ads.msstate.edu .
